**5. Reason for cancellation**

West University of Timisoara, as beneficiary of the IPA RORS20 project, launched on October 20, 2017 the acquisition 03 regarding the acquisition of advertising materials and filming services, the acquisition divided into two lots. We have complied with all the procedures imposed by PRAG and so we posted the online purchase on BRCT website on 20.10.2017. Until the deadline of 21.11.2017, we received only one offer for Lot 1, but for lot 2 we did not receive any offers registered at the UVT headquarters, indicated in the Instructions to the Offeror. So we see that we have to declare Lot 2 as rejected for the reasons clearly mentioned above.

**Notes:**

Should a new tender procedure be launched for this project, a new contract notice will be published, unless the contracting authority awards the contract through a negotiated procedure – in which case only the award of the contract will be published.
