Dear Sir,

I am writing you on behalf of S.C. ATU ADVERTISING S.R.L., one of the 3 entities invited to submit to the Tender Events Organisation: RORS32/PROCUREMENT03

Our questions are as follows:

1. In the Instruction to tenderers Documentation, at point 4. Content of tenders – in the third paragraph – it is mentioned that " Each Technical offer and Financial offer must contain one original, clearly marked '**Original**', and 1 copies, each marked '**Copy**'" – our question: *do you need 1 or 2 Copies, marked as Copy 1 and Copy 2?*
2. In the Annex II: Terms of Reference, 7. Reports/ 7.1. Reporting requirements – Final report - the following text appears: " The report shall contain a sufficiently detailed description of the different options to support an informed decision on the realization and multiplication of the 4 movies." There is no specification in the Documentation, except point 7.1. from Annex II, about the 4 movies.
Is this text an error? Can you please help us with more details?
3. The Period of implementation is 6 or 8 month? We are asking because in the Annex II: Terms of reference, point 5.2. Start date & Period of implementation of tasks is specified that " The intended start date is 16.04.2018 and the period of implementation of the contract will be 6 months from this date." And in the Special condition – Article 19 Implementation of the tasks and delay is specified " 19.2 the period for implementing the tasks is 8 months from the start date, but not later than 12.12.2018".
4. There will be only one winner for this Tender or 1 entitie of the 3 can win minimum 1 activity and maximum 4 activities?
