**5. Reason for cancellation**

At the public procurement procedure was received only one offer.

After the evaluation process and the request of clarifications was concluded that the offer received exceeds with a high value the budget for this acquisition from the contracting plan.

Therefor, the tenderer will be invited to participate at a negotiated discussion in order to sign the contract for a smaller value.

If the negotiations won't be successful, the procedure shall be republished.

**Notes:**

Should a new tender procedure be launched for this project, a new contract notice will be published, unless the contracting authority awards the contract through a negotiated procedure – in which case only the award of the contract will be published.
