Our ref: 2019/S 183-445144

Response to clarification received from ENVIRONMENT SOLUTIONS APS, regarding the Emergency and security equipment, 2019/S 183-445144, Contract Notice published by Municipality of Drobeta Turnu Severin on <https://ted.europa.eu/udl?uri=TED:NOTICE:445144-2019:TEXT:EN:HTML&src=0>

Question no. 1:

If we can only apply for one part/ Lot of the package or you are looking for a distributor / manufacturer to offer you all the products (we are interested in the part for flood protection barriers)

Response no. 1:

As presented in the II.1.6) **Information about lots**, from the published contract notice, and also from the tender dossier documents, the answer is :

This contract is not divided into lots.

Question no. 2:

If you can suggest one or more potential partners who are able to bid for the entire purchase package.

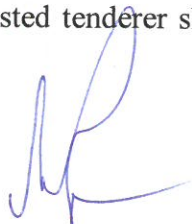

Response no. 2:

Municipality of Drobeta Turnu Severin cannot suggest any potential partner for your company in order to apply for the procurement.

Municipality of Drobeta Turnu Severin has published the contract notice in order to receive offers from potential tenderers and it is not the duty of municipality to search for tenderers or partners for interested tenderers.

We strongly advice that any interested tenderer should read carefully the documents published in the tender dossier.
