Good day,

With respect to the public tender (Romania-Drobeta Turnu Severin: Emergency and security equipment 2019 / S 183-445144) seen on the EU portal <https://ted.europa.eu/udl?uri=TED:NOTICE:445144-2019:TEXT:EN:HTML&src=0> we wanted to clarify:

1. If we can only apply for one part/ Lot of the package or you are looking for a distributor / manufacturer to offer you all the products (we are interested in the part for flood protection barriers)
2. If you can suggest one or more potential partners who are able to bid for the entire purchase package.

Med venlig hilsen / Kind regards,

Bianca Pasca
